REMARKS

Claims 96-99 are pending in the subject application, as last amended via applicants' May 23, 2005 Amendment. Applicants have not added, canceled or amended any claims. Accordingly, upon entry of this Amendment, claims 96-99 will still be pending and under examination.

Objection to the Amendments to the Claims

In the June 8, 2005 Notice of Non-Compliant Amendment, the Examiner objected to the new listing of claims that appeared in the May 23, 2005 Amendment. Specifically, the Examiner states that the listing of claims does not provide the text of all pending claims, including withdrawn claims.

In response, applicants submit herewith an amended new listing of claims which include the text of all pending claims, including withdrawn claims.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.
